Introduction to Advanced Scrum

This course is an excellent place to start if you want to be a Scrum master, are adopting Scrum in your workplace, or simply want to be a more agile team. It is built on the best learning objectives of the Scrum Alliance and Scrum.org to provide you with current, market-relevant content. Additionally, once you finish this course, you will be able to increase your knowledge with part two of this series: Mastering Advanced Scrum – A Scrum Master Training Course. A
